#### About Deptford X

Welcome

In honour of the occasion, I have been

delving into the archives and talking to

Deptford X staff and artists past and present to learn more about what, who and how Deptford X is.

Deptford X is a visual arts charity and London's longest-running arts festival. Based in Deptford, South East London, and founded in 1998 we foster artistic talent and nurture community within the borough of Lewisham and beyond.

We achieve this through a free annual festival in Deptford and ongoing activity supporting artists and our local communities

As ever, the festival is a showcase for

the incredible diversity and breadth of

artistic practice in the area. It boasts

an extensive and ambitious Fringe programme local artists' projects; gallery exhibitions and open studios.

The festival makes use of existing local

infrastructure to host projects, with art to be found in both everyday and unexpected places throughout the area.
